⋮ BRIDAL PACKAGES AVAILABLE ⋮

Glycolic Acid Exfoliation

70
A treatment which involves applying glycolic acid to the skin leaving the complexion significantly improved in appearance and suppleness and allows the skin to take advantage of skin care products.

Pumpkin Enzyme Exfoliation.....

70

Revitalizing Eye-Zone Treatment.....

16
Upgrade your facial or enjoy this one on its own! This treatment starts with a cold hydrating cream and mask along with a light massage to work in the product. Then relax with a cool tea compress over your eyes to nourish and brighten the eye area.

Hand Refinishing Treatment

16
The hand treatment is also a good one to add on to a facial or wonderful on its own. Relax while your hands are massaged with scented oil, exfoliated with sea salt, moisturized and dipped in paraffin, followed by ten minutes in heated mitts.

Ear Candling

35
Ancient practice of treating the inner ear with soothing warm air created by candle heat. Ear wax softens, along with other ear debris, leaving you clean and refreshed.

Bacial.....

45
Consider this treatment a facial for your back, great for those who experience breakouts on their backs. A forty minute treatment involves deep pore cleansing, exfoliation using a body polish, a stress relieving shoulder and back massage, followed with a treatment masque and closing with a hydrating lotion to leave your skin feeling smooth.

Body Treatment.....

65
A Special hour long body treatment for "neck to toe" exfoliation; using a mixture of scented oil, sea salt, and a draping of warm, moist towels, the skin is gentle Sloughed then buffed. This pampering treatment leaves the skin velvety soft and the body rejuvenated.
